# Dedication

To you, Mrs. Canady, we dedicate this 1967 Retro to honor your many years of faithful service at Wapella Grade School. We sincerely appreciate the guidance and teaching we have received from you during these years.

# Superintendent's Message

The citadel of education is within the grasp of every student in these United States. The completion of your high school career is only a step toward a final goal in education whether it be college, technical or vocational training, or on-the-job training in whatever occupation you may choose. It has been our purpose to provide you with the opportunity to equip yourself with the basic tools necessary to succeed in your chosen field. Your success or failure in the field of your choice will attest to the effort you have put forth in acquiring a high school diploma. Success and happiness go hand in hand and personal acquisition of these intangibles is society's gain.

Congratulations, Seniors of 1967, on the achievements that led to your graduation from Wapella Community Unit #5. Do not let this graduation from a secondary school be a stopping point but make it a stepping stone for a future education to help this world of ours along the road to peace.

What will be your role in this effort? Will you be one of those content to rest on the achievements of others or will you be one of the 'educated' who will mold the future of this, your native land. You must prepare yourself to take your place in the everyday world of work because that is where eighty-five percent of you will finally settle. Work is still honorable. Learn to work--you'll be ever so grateful you did.

## Wapella Turns Back Mansfield

### SANGAMON VALLEY

Tom Schettler pumped in a basket with only 13 seconds left to give Wapella an uphill, 45-44, victory over Mansfield on the losers' court Tuesday night. It was a non-conference game.

The Wildcats trailed almost the whole game until the final seconds. They trailed by three at the half and watched Mansfield open up a seven point lead going into the final period. Led by Schettler and Steve Wilson, the winners got hot and managed to pull it out.

Mansfield won the preliminary game, 38-35.

WAPELLA claimed its second victory of the year by beating Danvers, 58-43, in a conference game on the winners' court.

Steve Wilson spearheaded Wapella's assault by tossing in 25 points. Wilson helped the Wildcats come back from a cold shooting first half of 37 per cent to a second half clip of 55 per cent.

Wapella is now 1-1 in the conference, while Danvers settles for a 1-2 mark.

Wapella also won the preliminary contest, 39-29.

# DAIRY QUEEN

Sure, you've had hot fudge before — but nothing
